PHANTOM DRAGONS / PINK PHANTOMS

Code of Conduct and Coaches Expectations of the Athletes

As a member of the Phantom Dragons / Pink Phantoms crew, I agree to be bound by the following standards of conduct:

- Coaches will treat all participants with due respect and integrity. Athletes shall strive to promote a positive and competitive training environment, and shall provide encouragement and support to everyone on the team. Hazing, bullying, threats, or physical/emotional abuse of any kind will not be tolerated.
- Paddlers of all ages, experience / ability levels, and degrees of motivation and/or commitment are welcome. Any discrimination based on race, religion, sexual orientation, etc. is strictly prohibited. Please leave your pets at home.
- Athletes shall treat event officials, other competitors, teammates and coaches w/ respect at all times. They will be expected to live and compete with class & integrity, being gracious in victory, and accepting defeat with poise & dignity.
- Team members shall refrain from use of alcohol, drugs, tobacco & vaping at all competitive events. At other team events (post-competition parties, team meetings, etc.) drinking may be acceptable (depending on the nature of the event), provided it is in moderation. Use of recreational drugs, tobacco and/or vaping is not acceptable under any circumstances at activities that are in any way related to, or associated with, the Phantom crews or DRACO.
- Within the framework of each individual athlete's specified level of commitment (as indicated below), he/she will make attendance at all racing and training opportunities a priority, and make every effort to be on time when attending.
- It is understood that practice schedules, notices and other documentation are to be disseminated primarily via EMail. Team members agree to check for team EMail daily, to read all such messages in their entirety, and to RSVP for all practices and events within a reasonable time.
- Athletes agree to provide application forms, waivers, surveys, and other team-related documentation promptly upon request (within 2 weeks maximum), and to pay all team, practice and race fees (cases of financial hardship excepted) in a timely manner.
- Team members are expected to comply with practice rules and safety procedures, and follow the coach's and/or team captain's instructions, without exception. Tactful, one-on-one discussions of any concerns, questions or ideas can be handled before or after practice sessions, as appropriate.
- Athletes understand that decisions concerning race team rosters will be made by the coaching staff based on objective selection criteria including fitness testing, OC time trials, and assessment of individual skill/technique, along with a variety of subjective criteria including attendance, a positive/team-oriented attitude, timely submittal of documents & fees, leadership / motivation attributes, etc. Decisions by coaches will be made with honesty, integrity, and fairness to all participants, and will be final. Remember, racing is a privilege - you have to earn it!

My anticipated level of commitment for the coming season is (check one each): **All Year** **Summer Only**

- Gold Level** *I expect to generally attend all scheduled practices (3x/week), and miss only in rare cases of sickness or extraordinary circumstances.*
